

APES Ch. 11 Module 32 extension - Multiple Choice Test Hints

The MC test is 50 questions covering chapter 11, module 32. Focus on the notes heavily.

Many of the questions involve higher-order learning and critical thinking. Ask yourself how multiple choice questions can be written to cover these concepts.

Study your notes. Review relevant material and questions your study guide workbook and on Albert.io. Check all vocabulary in each chapter.

In addition to vocabulary at the end of **CHAPTER 11**, note these concepts...
