

Welcome to Mrs. Bauck's class!
A.P. Environmental Science (A.P.E.S.), Chemistry

Students and parents/guardians:

- 1) Please read the introductory letter and safety contract given out in class today. Complete and cut off the bottom portion, obtain *parent/guardian and student signatures on both sides*, and return the bottom portion to me tomorrow.
- 2) Please read the donation request letter: <http://kwanga.net/sharednotes/Donation%20Letter.pdf>
Online science donations: <https://pcsb.revtrak.net/High-Schools/Palm-Harbor-University-High/#/list>
- 3) Familiarize yourself with the layout of www.kwanga.net.
- 4) Read the entire document and print *page one* of the class procedures from <http://www.kwanga.net/sharednotes/class-procedures.pdf>. Parent/guardian and student should sign where appropriate. This document must remain in the binder.
- 5) Print the following documents to keep in the binder:
 - a) (A.P.E.S. only) Formal lab report format:
<http://www.kwanga.net/apesnotes/updated-formal-lab-guidelines.pdf>
 - b) (A.P.E.S. only) Math tips for the AP exam:
<http://www.kwanga.net/apesnotes/apes-math-tips-for-ap-exam.pdf>
 - c) (CHEM all levels) Periodic table:
<http://www.kwanga.net/chemnotes/Periodic%20Table BW 2017.pdf>
