

SCIENCE ARTICLE – OPTIONAL ASSIGNMENT

Directions:

Choose a current article (within one month) about a scientific topic.

Possible sources: science magazine, newspaper, online, etc. If an online source is used, include the URL (web site address) on your paper. If a hard copy was used, staple a copy of the article to your paper, and write the publication title on the copy.

1) OPTION #1: Quiz

Write a quiz with answers about the article, focusing on key ideas and content, with the following types of questions:

- 3 true-false
- 3 multiple choice
- 3 fill-in-the-blank
- 3 short answers

2) OPTION #2: Storyboard (like a comic strip, but not funny)

- Draw a storyboard with at least 10 panels, focusing on key ideas and content.
- Be neat and creative. Use a ruler and color the images.
- Include relevant dialogue.

3) OPTION #3: Outline

- Outline the article in standard format, focusing on key ideas and content.
- Summarize the article in one sentence.
- Write an alternate title for the article.

4) OPTION #4: Have another idea? Get approval and do it!
